History on wheels. More than history, they are art on wheels. Seeing them sets up an interesting debate in the mind. The streamlined cars of the 1970's are beautiful, and yet next to these, they look a bit pale. The classic cars of the 30's are masterpieces. Gary Cooper's 1931 Duesenberg Model J. Tourister is a fantastic machine. This 12 cylinder, massive and magnificent car is designed to do 90 miles per hour in second gear and 120 in high. Speed is not the story, however, because this car is just so beautiful.

From the same era, Cadillacs, Cord, Franklin, LaSalle, Lincoln, Packard, Rolls Royce are represented. Each car is worthy of a detailed inspection. This great collection is housed at the Heritage Plantation of Sandwich. A copy of the famous round Shaker

barn has been constructed to display the cars. The building was constructed from plans drawn in the early 19th century as an efficient machine for the care of cattle. It was designed to allow a number of workers to work simultaneously and never be in each other's way. The 52 head of cattle were in separate stalls facing in toward the octagonal ventilation shaft. Wagons were driven into the second floor with feed and hay which was stored there to be forked through openings to the stalls below. The barn was designed by the inventive Shakers of Hancock, Massachusetts in 1826.

The cars are arranged on both levels of the barn and each is wired to warn when they are touched. The collection contains so many cars trimmed with highly polished

P. Biddle Exhibit

PAINTINGS AT ART CENTER

The Marion Art Center presents Phyllis Biddle paintings August 15 through September 6 in the Cecil Clark Davis Gallery at Main Street.

After attending the University of Pennsylvania Phyllis Biddle studied painting with Jenny Knight in Alexandria, Virginia and worked with Tosun Bayrak in New Jersey. He had a tremendous influence on her freedom with paints.

Phyllis Biddle also attended the Art Students League with Edward Melcarth and also studied at the New School in New York City with Joseph Stefanelli. Her exhibits include an area show at the Corcoran in Washington, D. C. and at the Studio Gallery in Alexandria, Virginia; also two one-man shows in New Jersey. She was awarded best in show award in the New Jersey State Show and various honorable mentions in shows in New Jersey and Massachusetts.

Mediums used are oils and acrylics. Frequently acrylics have been treated as water colors although other paintings have a rough and highly textured surface achieved by the use of modeling clay and gesso used with her paints. Portrait work is most often done with earth colors, but landscapes and seascapes frequently are painted with the most brilliant colors to be found on her palette.

Gallery hours are from 1 to 5 P.M. Tuesday through Sunday.

Young Worker Commended

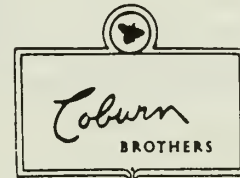

Mattapoisett Selectmen have received a letter from Charles A. Morgan, superintendent of the Mattapoisett Water Department, in which Mr. Morgan expressed appreciation for the services of Victor Dunston of Marion Road, Mattapoisett. For 2 weeks, as part of the Neighborhood Youth Corps program, Victor worked with the Water Department and has now returned to the supervision of the Town Shellfish Warden.

Mr. Morgan said that Victor was primarily engaged in assisting in the painting and scraping of the Water Department Building at 33 Church Street. The letter said that Victor was a willing worker and showed interest and pride in the end result, which is rare these days. Mr. Morgan stated that he would be willing to personally recommend Victor for either additional schooling or employment on the basis of the potential he demonstrated - worthy of any potential employee.

RUSSELL I. PEIRCE**ELECTRICIAN**

Master Fairhaven Rd. Journeyman
Mattapoisett, Mass. 02739

I would like to reiterate by stating that
both my wife and I sincerely appreciate the
speediness with which our child was trans-
ported to the hospital and the extreme courte-
sy and concern that your police officers ex-
tended to us during this trying period.

Thank you very much.

LETTER TO THE EDITOR

Some friends of ours in Maine receive a
gift of fresh holly each Christmas from
"Zeke and Alice" in Mattapoisett -- with
no address given. Our friends claim they
do not know any "Zeke and Alice" and won-
der just who these mystery friends might
be! Inquiries have been made locally to no
avail. So -- if Zeke and Alice read this --
we would appreciate their dropping us a
note. ("Will the REAL Zeke and Alice please
stand up!") Thank you.

BANQUET TO HONOR LITTLE LEAGUERS

The Mattapoisett Sports and Athletic Com-
mittee has planned a banquet in order to
honor the boys who participated in this
year's program.

The banquet will be held at the Harbor
Beach Lodge on August 24th at 6:30 P.M.
Reserve the date now, and join us for this
important day in your son's life. Contact
your son's coach and make reservations
today.

Letters to The Editor

The following is a copy of a letter sent
to Mattapoisett Police Chief Faria.

May I extend my deepest appreciation to
the Mattapoisett Police Department for the
prompt service extended to us on the day my
daughter fell off her bicycle and fractured her
skull.

The Mattapoisett Police have always done
an outstanding job and I am fully aware of
the many tributes paid to them, both ver-
bally and in print. However, I do not think
the law enforcement agency within this town,
or any other town, receives enough praise for
their efforts. They should have the praise
they richly deserve.
